1 AN ACT concerning State government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Department of Commerce and Economic
5 Opportunity Law of the Civil Administrative Code of Illinois is
6 amended by adding Section 605-980 as follows:

7 (20 ILCS 605/605-980 new)

8 Sec. 605-980. Smart cities grant program. Subject to
9 appropriation, the Department shall establish and administer a
10 program to make grants to municipalities for urban preservation
11 and redevelopment as well as green technology. The Department
12 shall work in cooperation with local municipalities in order to
13 provide funds to meet the municipalities' identified public
14 infrastructure and urban improvement needs.

15 "Identified public infrastructure and urban improvement
16 needs" include plans adopted by the municipality that have the
17 following elements: an assessment of all public facilities and
18 services, including, but not limited to, roads and other
19 transportation facilities, sewers, schools, parks and open
20 space, and fire and police services. Any municipality that is
21 approved for grant moneys under this Section must develop a
22 5-year plan for the replacement and expansion of existing
23 public facilities or the construction of any new facilities

1 that are required to meet expected growth and economic
2 development. The plan shall be reviewed by the Department. The
3 plan must include a projection of when and where those
4 facilities will be required and an assessment of the
5 anticipated costs for replacement, expansion, or construction
6 of public facilities.

7 Municipalities receiving grant moneys under this Section
8 are encouraged to use local small businesses within the
9 municipality whenever possible.
